

I have relied on Greer Cleaning service for almost two years now. During that time I have found the quality of their work to be of the highest standard. Their work is always completed in a timely manner and I do not want to know what it is like not to have them continue services in my home. They provide an excellent service which often goes beyond the call of duty.

Greer Cleaning Service keeps my house nice and clean and maintains it through each visit. They have a dedicated team that gives the appearance to be cohesive and takes true pride in the work and service they provide. The workers are warm and cordial but remain professional, providing the utmost discretion and respect to my family.

Having three boys in a family of six does not intimidate this team. I confidently leave my home in the hands of Greer Cleaning each and every time and rest assured that my house will be cleaned and left presentable. The cleaning team takes pride in the service they provide and can clean anything to the point of looking all new.

I would have absolutely no hesitation in recommending this company to any family or business who wanted an efficient and reliable service. If you would like to contact me directly, I may be reached at 312/519-4906.

Sincerely

Brandon Leak
